PANCARE OF FLORIDA, INC.

CORONAVIRUS TESTING CONSENT

I authorize PanCare of Florida to conduct collection and testing for COVID-19 through a finger stick blood test and/or nasal swab. Based on my results, a nasopharyngeal swab may be needed for confirmation. I understand that my insurance will be billed for this testing.

I authorize my test results to be disclosed to the county, state, or to any other governmental entity as may be required by law.

I understand that I am not creating a patient relationship with PanCare Health by participating in testing. I understand that PanCare Health is not acting as my medical provider. I assume complete and full responsibility to take appropriate action with regards to my test results.

I understand that this Antibody IgG/IgM test, will give me one of three results; it will tell me if I have ever been exposed to coronavirus and now have the antibodies (IgG), if I am currently infected (IgM), or if I have never been exposed and don't have any antibodies. I understand that the antigen test will produce one of two results; a positive test result indicates that antigens for SARS-CoV-2 were detected, and I am infected with the virus and presumed to be contagious. A negative test result means that antigens from SARS-CoV-2 were not present in the specimen above the limit of detection. However, a negative result does not rule out COVID-19 and should be treated as presumptive and confirmed with a molecular assay, if necessary for patient management. I also understand that, as with any medical test, there is the potential for false positive or false negative test results.

I acknowledge that I have been given a copy of PanCare Health's Notice of Privacy Practices. I have been informed about the test purpose, procedures, possible benefits and risks. I have been given the opportunity to ask questions before I sign.

I acknowledge that I have read, understand, agree, certify and/or authorize the information above and further agree to hold harmless PanCare Health, including its employees, agents, and contractors from any and all liability and claims.
